DAVIDSON COLLEGE.

DAVIDSON COLLEGE is in Mecklenburg County, North Carolina. It is twenty miles north of Charlotte and twenty-five miles south of Statesville; and being immediately on the line of The Atlantic, Tennessee and Ohio Rail-road, is of ready and comfortable access at all times. Its numerous buildings contain spacious Chapels, Society-halls and Lecture-rooms, together with pleasant dormitories sufficient for a large number of students. Its Libraries, Cabinets, and Apparatus are well provided for and are constantly receiving accessions, so that the means for securing a liberal education at Davidson College are surpassed by few institutions in our country. The site of the College and of the adjacent village is remarkably healthy, being free from malaria and other local causes of sickness. The adjacent counties are thickly settled with a population widely and honorably known for its intelligence, morality and thriftiness; so that the means of living at the college are cheap and abundant, and temptations to students to form vicious or extravagant habits are carefully guarded against.

Although organized and controlled by Presbyterians, the instruction at Davidson College is not sectarian, but such as can be freely and equally offered to all students of good moral character and of proper mental qualifications. The institution was chartered "to educate youth of all classes, without regard to the distinction of religious denominations, and thereby promote the more general diffusion of knowledge and virtue;" and its founders have frequently and publicly declared that their design was "*to extend the blessings of a liberal education to all classes of the community prepared to enjoy them.*"

TERMS OF ADMISSION.

No one will be admitted as a student of the College without producing testimonials of a good moral character, and also a certificate of honorable dismissal from the last school or college which he has attended.

CANDIDATES FOR THE FRESHMAN CLASS are examined in the following books and subjects; English Grammar, Ancient and Modern Geography, Arithmetic, Algebra to equations of the second degree, Latin Grammar, five books of Cæsar, six books of the Æneid of Virgil, Cicero's Select Orations, Greek Grammar, Greek Reader, and two books of the Anabasis of Xenophon.

ADVANCED STANDING.—All candidates for advanced standing, whether from other colleges or not, in addition to the preparatory studies, are examined in those previously pursued by the classes which they propose to enter. No one can be admitted to the Senior Class, after the commencement of the second term. Resident graduates may at any time avail themselves of the advantages of the College without any charge for tuition.

AGE.—No one can be ordinarily admitted to the Freshman Class till he has completed his fourteenth year, nor to an advanced standing without a proportional increase of age.

All college dues for the term shall be paid in advance.

On entrance each student shall be required to give a pledge of honor faithfully to observe and obey all the laws and regulations of the College while he continues a member of it.

Students not wishing to take a regular course, but to acquire a knowledge of particular branches, may be permitted to do so at the discretion of the Faculty; but they shall be subject to the laws and regulations of the College, as are the regular students.

DAVIDSON COLLEGE.

have always been considered valuable auxiliaries in the work of education. Their halls are large, and elegantly furnished, and their libraries contain several thousand well selected volumes. These Societies elect alternately an orator to deliver an address in the College Chapel during the day preceding the annual Commencement, and at night they are represented before the public by three orators chosen from among their regular members.

THE SOCIETY OF ALUMNI holds its annual meeting on the day before Commencement, on which occasion an address is delivered in the College Chapel by a graduate of the College.

THE WILLIAMS ASSOCIATION OF INQUIRY, was named in honor of Rev. Edwin Williams, a missionary to Africa, who was prominent in its organization. The design of this association is to assist in benevolent and religious labors at and around Davidson College, and to maintain a special interest in the spread of the Gospel throughout the world. At its monthly meetings reports and essays are read concerning foreign and home missions, the state of religion in our own and in other countries, and the operations of Bible, Tract, and other benevolent Societies. Its reading room is well supplied with religious papers and other similar periodicals from all parts of this, and from foreign countries, and at stated times is open to all the students of the College. Among the annual attractions of Commencement week is a sermon before this Association.

RELIGIOUS SERVICES.

The President of the Faculty is Pastor of the Church at Davidson College, and superintends the administration of all the ordinances of the Church in the College Chapel. Every student, while at the College, is required to attend public worship on Sunday morning, and to be present at the daily morning and evening prayers. He is also required to attend the instructions in the Holy Scriptures, with which his class begins the studies of each week.

Each student must pay for Tuition, Room rent, Servant's hire, and Contingencies, as soon as he enters College. Wood can be bought for \$2.00 a cord. Washing will cost \$1.00 or \$1.50 a month, and Light can be bought at about \$3.00 a year, or the usual market rate. New text books can be obtained at the retail prices of their publishers. The whole of the ordinary college expenses for one year exclusive of clothing, traveling expenses, &c., is estimated to vary from \$200.00 to \$230.00. In regard to clothing, and what is commonly called *pocket money*, no general estimate can be made. Parents and guardians are earnestly requested not to furnish more money than is strictly necessary; as any amount beyond this will not contribute either to the real comfort or to the respectability of the student.

Candidates for the Ministry are not required to pay for tuition while under the care of some Presbytery.

The Bursar of the College (Prof. J. R. Blake) will take charge of money intended for any student and expend it according to the direction of his parent or guardian.
